- Creation of effective interface with industry and community to impart quality education at par with the best in the country and the world.
- Creating awareness for and transfer of technology to rural mass.
- Strengthening industry-institutional interaction.

FROM THE PRESIDENT'S DESK

It is an incredible joy to connect with you. If it's not too much trouble acknowledge my heartiest congrats for choosing Pharmacy calling as your vocation. We have given best in class, offices in our foundation. We target giving best quality training to our students. I as certain you will value our lavish green grounds and framework. We have very much qualified and devoted staff individuals who take care of all round improvement of every single understudy. We additionally plan to create innovative abilities in understudies with the goal that they would drive the soul of development of our economy and would have the option to produce business open doors for other qualified and gifted individuals. We have done our absolute best to make sure that understudies don't take a gander at the Pharmacy course as a weight. The understudies of this Institute make the most of their learning experience; we sustain them and go about as their watchmen so they escape from home. They play; they appreciate and in particular become familiar with all that is imperative to shape their professions.

"learning Gives Creativity. Creativity Leads To Thinking. Thinking Provides Knowledge. Knowledge Makes You Great.

MR. SUKHEN KUMAR RANA

President

FROM THE PRINCIPAL'S DESK

"Education is the most powerful weapon which you can use to change the world."

Nelson Mandela

At the outset, I wish to extend my warm welcome to you in SGRIP family. It would indeed give us immense pleasure that you have selected SGRIP platform and given opportunity to us to assist in shaping your professional career. Today, the college symbolizes the meaning of quality education and professional achievement. However, there is ample room for further development since acquiring knowledge is endless process. Pharmaceutical education today is no longer confined to the four walls of the classroom. All round efforts are needed to generate quality professionals. To achieve this we try to provide quality, value based, and activity oriented education to our students.

Our mission is persistently engage ourselves to generate and preserve knowledge, understanding, and creativity by conducting high-quality educational and research activities that benefit students, scholars, and communities across the nation. To share that knowledge and creativity, we will provide a broad range of academic activities for learners and teachers that will help them to work independently in their professional sphere. As educational institution, we value excellence, innovation, diversity of community, diversity of ideas, integrity, academic freedom, collaboration, and accountability of resources and relationships, sharing knowledge in a learning environment, and application of knowledge and discovery to advance the quality of life.

This institution is associated with a very strong, dedicated and capable team of educators who will serve the driving force in the growth of this institution. So, this institution will not only educate and enable students with knowledge of profession but also inculcate discipline, determination, and dedication.

The college is equipped with well-furnished laboratories, classrooms and library that feeds the brain of students with maximum professional stuff, digitalized computer lab, and wi-fi facilities throughout the Campus. It is only with the whole hearted support, cooperation and confidence of the Management and staff in us that we will be able to fulfill our mission of providing new dimensions to education.

At SGRIP, you will learn new concepts, widen your horizons, apply your mind, explore your talent and take up social responsibility to improve the healthcare system and ultimately become ethical professional and responsible citizen.

In conclusion, I also welcome all who shall be joining us as students and wish you all a wonderful intensive knowledge flow on the campus. If, I can be of any assistance, please do not hesitate to contact me and know that my door is always open. I can be reached at president.sgrip@gmail.com Also, I am honored to serve as your principal.

"The tradition of excellence is ours; the choice is yours!"

Principal

DISCIPLINE

All students must abide by the rules and standing orders of the college, violation of which or any misconduct inside or outside the college campus may lead to disciplinary action as per the regulations and render a student liable to expulsion from the college. Students have to sign an undertaking to this effect for the above during admission. Further, if as a result of any demonstration or strike, any college property is damaged, the cost will be covered directly from the students who are identified or collectively from such group of students who are responsible for it. In case of non-identification of any student(s) mass fine shall be imposed thereon.

ANTI-RAGGING MEASURE

As per the latest amendment to UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009 final.

[<http://www.ugc.ac.in/page/Ragging-Related-Circulars.aspx>] ragging is defined as- "Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of color, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background." Ragging in any form on any student inside or outside the college campus or hall of residence is strictly prohibited as per W.B. Govt. Anti-Ragging Act. Students found indulging in ragging shall be subject to strict disciplinary action including expulsion from the college. Supreme Court also has declared ragging as a nasty crime and advised for immediate serious action leading 1D even jail. The decision of the Principal and the anti-ragging committee regarding all matters on ragging based on the report of the anti-ragging committee will be final.

4 KM from Dubrajpur Railway Station.

- Students graduate with knowledge and skills that prepare them to excel in the workforce.
- College has excellent and sophisticated labs with machineries of highly advanced technology.
- We promote E-learning process with the help of digital library.

ADVANTAGE BIRBHUM

Often called "The land of red soil, Birbhum is noted for its topography districts of West Bengal. Suri is the district headquarters of Birbhum. Dubrajpur is a sub District town of Birbhum. The quite serenity of the place makes it a perfect place for pursuing educational endeavours. As an Pharmacist our students consolidate their learning in the peaceful vicinity of Dubrajpur and unwind in tranquility for mind rejuvenation. The bauls of Birbhum, their philosophy and their songs form a notable representation of the folk culture of the district. Being close to Shantiniketan, Shri Rabindra Nath Tagore's abode of peace and learning our students are exposed to some of the larger than life cultural festivals of Bolpur like the notable Poush Mela.

To witness the East and west cultures meet, Birbhum can boast of some of the most sacred religious pilgrims like Tarapith, Bolpur, Mama Bhagne, Patharchapuri and Bakrewar. Students can make a trip to these sacred places on weekends and get blessed for a bright career. This also keeps our students moral and ethical individuals of strong character. Birbhum is very well connected through all the major cities of west Bengal like Kolkata, Durgapur, Asansol, etc. through a very good road and rail network. It only takes about three hours from the national highway to reach Birbhum from Kolkata. Undoubtedly, SGRIP is the most preferred choice of students and recruiters.
